About me

Third-year B.Tech Artificial Intelligence & Data Science student with a strong foundation in programming, data structures, and problem-solving. Actively building projects and seeking internship opportunities to gain hands-on experience in software development, data analysis, and AI-driven solutions.

Education

Bachelor of Technology (B.Tech) – Artificial Intelligence and Data Science	2024 – 2028
Nagpur	Thadomal Shahani Engineering College, Mumbai
Current GPA 7.50	

Higher Secondary Certificate (HSC) – Class XII	2022 – 2024
Maharashtra Board	St. Rocks College, Borivali West, Mumbai
Percentage 71%	

Secondary Secondary Certificate (SSC) – Class X	Passed in 2022
Maharashtra Board	Dr. S. Radhakrishnan International School, Borivali West, Mumbai
Percentage 78%	

Skills

C, Java, Python, HTML, CSS, and basic SQL; strong understanding of Data Structures & Algorithms, Database Management Systems (DBMS), Operating Systems, Computer Networks, and Object-Oriented Programming (OOP); familiarity with Machine Learning fundamentals and data analysis concepts; hands-on experience with Git, GitHub, VS Code, Jupyter Notebook, and basic MySQL; strong analytical thinking, problem-solving ability, quick learning attitude, and effective team collaboration.

Projects

Turf Booking & Management System

Designed a simple web-based system to manage turf slot availability and user bookings using HTML, CSS, and basic backend logic, with a focus on clean UI and structured data handling.

Personal Portfolio Website

Building a personal portfolio website to showcase projects, skills, and academic background using HTML, CSS, and GitHub for version control.
